Approved:	Reeva S. Murphy, Deputy Commissioner	Effective: 12/08/2011
Supersedes:	Child Care Subsidy Schedule	Dated: 1999, 2000

PURPOSE

To assure income is determined in accordance to state regulations in a consistent and equally through out the state.

POLICY

Eligibility criteria: In order to receive child care financial assistance the primary caretaker(s) must have a “service need” and meet “**income eligibility standards**”.

Families must have monthly gross income at or below the levels given in the Child Care Financial Assistance Fee Scale approved on January 2010.

PROCEDURE

1. In determining the eligibility of a family in which a child is residing with only one of his/her primary caretakers and with an “unrelated” male or female, eligibility is established based on the income of the primary caretaker only, and the unrelated male or female is not considered to be a member of the household.
2. In determining the eligibility of a family in which a child is residing with both of his/her unmarried or married primary caretakers, eligibility is established based on the income of both of those primary caretakers.
3. In determining the eligibility of a family in which some of the children within the same “family” are the legal responsibility of one primary caretaker and some of the children are the legal responsibility of both primary caretakers separate determinations may be made based on the income of each primary caretaker.

Exceptions to Income Eligibility Standards

1. **TANF** - Families receiving a TANF grant – Reach Up with an established service need are eligible for child care financial assistance at 100% of the State established rate.
2. **PROTECTIVE SERVICES** – Families whose “Service Need” is established as a result of the need for Protective Services Child Care are eligible for financial assistance at 100% of the state established rate.
3. **FAMILY SUPPORT** – Families whose service need is established as a result of risk or stress factors are eligible at 100% of the state established rate.
