

Alex

Alex is 14 years old. Here's what he would like you to know about him

Things that I enjoy:

I like building with Legos and K'nex. I enjoy playing outside. I also like having time on my tablet, watching cartoons and playing video games. I enjoy Minecraft.

Things I don't enjoy:

I don't like loud and chaotic environments. I don't like being told no or having to wait.

What I want from a family

I want to live in a calm home environment with patient parents. I like animals, and enjoy having pets in the home.

What we want families to know about him

Alex needs a family who can commit to him and help him feel safe and secure. He has the capacity to trust adults who have a consistent relationship, and who know how to help him feel safe in his surroundings. Alex requires adequate time to process what is being communicated to him, especially when he is being provided with verbal prompting. He responds best to clear and concise directions.
