

Andy

Andy is 16 years old. Here's what he would like you to know about him

My favorite foods

I like to eat and am not picky about food. Andy's favorites include; Brownies, Pumpkin pie, Boiled hot dogs, enchilada pie and some spicy foods.

My favorite things

The outdoors. Traveling. Camping. Andy enjoys snowboarding, ice skating, bowling, golf, baseball. He likes sports movies and funny movies.

Things I don't like

When adults don't listen to my side of things.

Activities I enjoy

Riding my bike, being outdoors, traveling, and camping. I also like playing sports and want to join sports teams. I recently took up snowboarding and love it!

What I want from a family

An active, outdoorsy family that enjoys camping, traveling and sporting events.

What we want families to know about him

Andy is open to a mom and a dad, a dad and a dad, or a mom and a mom. He would like to be the youngest or only child. He is a very engaging boy who will do best when the boundaries are clear and he has good supervision. He clearly wants to be part of a family and is helping us find the right parents!

What we are seeking in family for Andy

A family that will help Andy stay in contact with his maternal grandmother, who will fully commit to him, and will help him make good choices. A forever family!

Andy is not legally freed for adoption so we are searching a Vermont licensed foster home to meet Andy's needs.
