

# Elliott

Elliott is 12 years old. Here's what he would like you to know about him

---

## **Things that I enjoy:**

Video games, technology, animals and playing sports. I like most foods. I am not picky. I like to be outside playing all different kinds of sports and activities. I like to play lacrosse, football and basketball. I like video games. I like to spend time in the community doing activities with my mentor.

---

## **Things I don't enjoy:**

I don't like yelling and fighting.

---

## **What I want from a family**

I want two parents but would be willing to have a single parent also. I would like a family who keeps me busy and keeps me safe. I like animals and would like pets. I want a family who will allow me some time on electronics.

---

## **What we want families to know about him**

Elliott has had many disappointments in his life. It will take him time to trust that a family will stick with him through the good and bad times. He will need boundaries, structure and encouragement to be active. He will need a family who can be patient and nurturing. Elliott is in therapy to deal with trauma and loss. This will need to continue after placement with a family.

---

## **What we are seeking in family for Elliott**

We are seeking any family with older or no other children to afford Elliott the time, attention and nurturing he will need to bond to the parents in his new family. A family willing to be part of his team as Elliott grows and adjusts will be beneficial.
