

Ethan

Ethan is 12 years old. Here's what he would like you to know about him

My favorite foods

Chinese Buffet, lasagna, fruit & veggies unless it is lettuce or Brussel sprouts.

Things I don't like

Mountain hiking but like walking in the woods and having adventures. Having limited time on the screen.

Activities I enjoy

Spending time with the family and actually doing activities with them. Legos, exploring/ adventures, skateboarding, gold panning, metal detecting, bike riding, music/ singing, screen time.

What we want families to know about him

Ethan is a very relational kid with high desire to belong to a family. Due to the early trauma Ethan has experienced, he needs parents who can provide him with lots of one-on-one attention and support. He receives special educational services and is making a great deal of academic progress. He wants to belong to a family he can be a part of forever and needs a lot of reassurance. He is a very resilient boy who is ready for a forever family. He loves to dance, likes to be funny, and has a great sense of humor. When Ethan is part of a home with clear boundaries and expectations he does extremely well.

What we are seeking in family for Andy

Ethan needs parents who:

- Can provide a nurturing environment, set clear and firm limits, and provide consistent boundaries;
- Are willing to participate in any recommended trainings and therapy sessions;
- Can be patient and loving even when his behaviors are a challenge;
- Can be affectionate and patient; and
- Are energetic, outgoing, and active.

Ethan would do best as the only or youngest child in the family.
