

Jackson

Jackson is 10 years old. Here's what he would like you to know about him:

Some of my favorite things:

I enjoy legos, sledding, snowboarding, and snowmobiling. In the summer I like to play baseball, go fishing, swimming and riding bikes, especially mountain bikes. I like the board game Sorry. I like to do things that thrill me; I call it doing dangerous stuff.

Some of my least favorite things:

I do not like being surprised, or getting my pant leg caught in a bike chain. I don't like it when things break on me and I really don't like it when people throw things at me. I do not like bullies.

Favorite Foods:

My favorite foods are taco salad, cheese puffs and Mushroom pizza. My favorite ice cream flavors are cookie dough and moose tracks ice cream.

What I want in a family:

I would like to have a mom and mom, or mom and dad. I want to live in the country; I want to be a farm boy. I have very fond memories of my grandparent's dairy farm. I would like to have a dog that looks like White Fang from the movies.

What I want families to know about me:

I want people to know that I like mud puddles, and I like snow. I like to make things out of junk parts, putting old things together to make something new. I really like RC cars, especially the monster truck or four-wheel drive type, and would love to share this hobby with someone.

What we would like you to know about Jackson:

Jackson is an incredibly sweet and fun loving boy. He loves the outdoors. He has fond memories of working with the cows on his grandparent's farm. Jackson gets along with his peers and would be wonderful in a family with older siblings (in their teens). Jackson also loves adult time; he loves to be the center of attention and does extremely well with 1-on-1 adult time. Jackson would benefit from a 2-parent family that has the flexibility to give him child specific 1-on-1 time along with sibling and family time.

For more information:

Jackson is not legally freed for adoption so only Vermont foster parent licenses or home studies can be accepted at this time. If you are interested in learning more than please contact Mark Simino at (802) 379-5086 or marks@lundvt.org.
