

Jaxon

Jaxon is 15 years old. Here's what he would like you to know about him

Things that I enjoy:

I like playing the card game Magic. I also like basketball. I also enjoy playing video games. I like listening to rap and country music. I just recently started drawing, and enjoy it a lot. I love burgers, and just about any type of meat. I like pizza, chili dogs and spicy food.

Things I don't enjoy:

I hate onions, garlic and sweet peppers.

What I want from a family

I want parents who are flexible, and who can set limits, but allow me the space and time I need to calm down when I'm upset. I need supportive parents who can give me a lot of attention. I would like to have a basketball hoop and a pool nearby. I really love animals, and would like pets in the home.

What we want families to know about her

I am tolerant of other people's religious beliefs, but I don't want any religion forced on me.

What we are seeking in family for Teia

Jaxon needs supportive parents who can help him work through the trauma he experienced. He needs ongoing counseling. Above all he needs caring parents who can set limits, but are not rigid in their expectations of him.
