

Kasey

Kasey is 11 years old. Here's what he would like you to know about him:

Some of my favorite things:

Kasey is a smiley 11 year old boy who is waiting for a home. Kasey is quite athletic and enjoys soccer, running and baseball. He likes pizza. He enjoys playing pool and foosball and being outdoors.

Things I do not like:

Kasey does not like it when there is a lot of chaos and yelling.

Activities I enjoy:

Kasey loves being active. He likes sports and says that he is fast! He likes to be outdoors. Kasey is competitive and hopes to participate on sports teams when he finds a home. Kasey likes to go out to eat and go to the movies. He likes to take day trips.

What Kasey want you to know about him:

Kasey wants a family who can accept that he has a strong connect with his respite family. Kasey wants families to know that it is important for him to be able to maintain that connection in some way. Kasey also hopes to find a family in Vermont so that he is able to maintain those connections.

What we want families to know about Kasey:

Kasey can get down on himself pretty easily. He has worked hard to overcome this but still struggles with low self-esteem and self-worth at times. Kasey will need a family who can maintain a calm, structured, yet fun environment. Kasey will need time to make a connection and to feel safe.

What we are seeking in a family for Kasey:

We would like Kasey to have a small, committed family who will support him and help him to build his self-esteem and self-control. He will also need a family who will support him in his athletic pursuits. Kasey will also need a family who is open to maintaining a connection with Kasey's respite providers.
