

## Matthew

Matthew is 8 years old. Here's what he would like you to know about him:

---

### **Some of my favorite things:**

I love to do arts and crafts. I like to make jewelry. I like to spend one-on-one time with caring adults.

---

### **Things I do not like:**

Not knowing what is happening next. Not having structure.

---

### **Activities I enjoy:**

I enjoy spending time outdoors, going on trips, art and music.

---

### **What I want in a family:**

I want a family who will nurture me and spend a lot of quality time with me. I want a family who will read to me and support me in the activities I want to do.

---

### **What we want families to know about Matthew:**

We want families to know that Matthew is a sweet boy who has captured the hearts of his caregivers. We want families to know that Matthew will need supervision around other children to help him make good, safe and appropriate choices. Matthew has a great sense of humor.

---

### **What we are seeking in a family for Matthew:**

We are seeking a two parent family or a strong single parent family for Matthew. Matthew should be an only child or be much younger than siblings. Matthew will need a lot of attention in the beginning and will need a family who can provide structure and follow through. We are also looking for a family who will support Matthew in therapy as needed.
