

## Rafe

Rafe is 7 years old. Here's what he would like you to know about him

---

### **Things that I enjoy:**

I love trucks! I like playing with toy trucks and also enjoy watching real trucks working. I want the opportunity to go to big truck events. I also like dinosaurs. I am very curious, and enjoy exploring my surroundings.

---

### **What I want from a family**

I want a family who can help me feel safe.

---

### **What we want families to know about him**

Rafe is a very loveable child who likes to be cuddled. He likes to sit in adults' laps and be read to. Rafe has a lot of energy, and is learning how to focus his energies in positive directions. Rafe loves trucks, and will drop anything else he is doing to watch any type of truck drive by. He also likes dogs. He enjoys cooking, and has made pancakes and cookies.

Rafe needs a two parent household where he is either the youngest or only child in the home. It is important for his parents to be patient with him as his attention shifts from one activity to another, but also help guide him and teach him how to follow directions and stay on task.

Rafe will need gentle parents with the ability to draw appropriate boundaries and help him when he gets frustrated with redirection. Rafe will benefit from parents with enough energy to actively engage with him outside and give him an outlet for his boundless energy. A family to work as part of a team to help Rafe grow and develop.
