

Name of Individual:
Docket #:

To the State's Attorney, Addison County

The Department for Children and Families objects to the sealing of the delinquency record on the above-named person, on the basis that it would be a risk to seal the file because, in the last two years:

- The individual has been the subject of a child abuse investigation;
- The individual has had subsequent adjudications as a delinquent;
- The individual is or has been the subject of an open case with the Family Services Division;

And/or:

- A legal action, legal claim or administrative action has been filed against the department or division related to this individual.

Therefore, a hearing is requested to review this matter. An affidavit accompanying this motion provides information to support this motion.
