To find out more about the help available, dial 2-1-1 toll free from anywhere in Vermont.

Tell the person who answers the phone in English “I want an interpreter who speaks *(your language or dialect)*.”

Wait on the phone for a few minutes while 2-1-1 connects to an interpreter.

With the help of the interpreter, the person at 2-1-1 will ask you about the help you need and tell you about the programs that may be able to help and how to reach them.
