

Do you partner with child care providers?

NOV 2, 2018

**ROCK SOLID FOUNDATIONS (RSF)
TRAIN-THE-TRAINER**

If you are a teacher of young children, an instructor or mentor of others in the early childhood field, this 1-day train-the-trainer event is designed for you! The Child Development Division is reaching out to networks that partner with family child care providers. The RSF curriculum uses the Pyramid Model approach from the Centers for Social Emotional Foundations of Early Learning (CSEFEL). You will be better equipped to help providers and parents intentionally teach young children to develop important social emotional skills for lifelong success! And you can use these skills in your work directly with children from birth to kindergarten.

Thank you to the VT Child Care Industry and Careers Council for their partnership during this grant opportunity. Lunch and small stipend will be offered.
