**Part II:  
Status of FY 21 Appropriation for Woodside**

Status of the Year-to-date FY 21 appropriation for Woodside: July 1, 2020 – October 31, 2020

The last youth left Woodside on 8.27.20 with no further admissions to the program in FY 21. The Legislature authorized the permanent closure of Woodside on or before 10.18.20 pursuant to Act 154 of 2020, Sec. E. 316(a). Upon passage of Act 154, the Department for Children and Families (DCF) initiated a Reduction in Force (RIF) with Woodside classified employees and began the process of permanently closing the facility which occurred on 10.17.20.

The following chart shows expenditures for Woodside for the period 7.1.20 – 10.31.20. There are still on-going expenditures for the Woodside appropriation in both personal services and operating. For example, as of 10.31.20, there are four (WS) employees still being paid due to pending personnel matters. There are also a number of operating costs that DCF must still cover during FY 21 including fee-for-space, other BGS property management fees, the Department of Human Resources (DHR) fees, Internal Services Fund (ISF), IT-Telecom and liability insurance.
