P-2733 Financial Need (Continued)C. Income1. Eligibility Test

Combined net income of the AABD (EP) assistance group may not exceed applicable payment level for size and living arrangement of the group (see P-2740 A).

Net countable income used to calculate SSI/AABD payment plus monthly SSI/AABD payment amount equals the combined net income of the following AABD (EP) groups:

A recipient of SSI/AABD benefits with an ineligible spouse as the essential person member of the AABD (EP) group.

A recipient of SSI/AABD benefits which include the needs of a Federal essential person (spouse or non-spouse) who is also the essential person member of the AABD (EP) group.

A couple who are recipients of SSI/AABD benefits which include the needs of a Federal non-spouse essential person who is also the essential person member of the AABD (EP) group.

Combined net income of all other AABD (EP) groups must be computed and compared to the AABD (EP) payment standard (see P-2740 A-B).

For a list of potential sources of verification see P-2122.
