

BRAEDYN, 12 Years Old

My favorite things:

Watching Power Rangers and Spiderman movies, Slug Terra. Playing soccer. Listening to Lady Gaga, Chris Brown, Snoop Dogg, Selena Gomez and Miley Cyrus. Playing the drums, guitar, violin, and piano. Playing baseball. Going to amusement parks. I'd like to visit Great Escape and Disney World.

Things I do not like:

Tomatoes, mushrooms, onions.

Favorite foods:

Cheese pizza, coffee ice cream, Mac and Cheese, corn dogs, and cheese dogs.

What I want in a family:

I want a family, and am not very fussy about whether it's a single parent or two parents. I'd like pets, especially a snake, but a dog or cats would be nice. I am open to living in the country or in a town.

What I want families to know about me:

I am gentle with pets. On weekends, I can be lazy but I also like exploring new places to go swimming and fishing. My favorite color is green.

What we want families to know about him:

Braedyn is a kind, engaging and genuine young man. He:

- Is very helpful and adjusts well to most situations.
- Does better in a structured, stable and loving home.
- Will need services that support his needs and a family that understands trauma.
- Needs a family that will help him advocate for himself and express himself appropriately.
- Struggles with accountability.
- Wants a family that will love him, treat him well, meet his needs and not abandon him.
