

Charlie, age 15

My Favorite Things:

I like four wheeling. Dirt bikes. I like Remote Controlled Cars. I like fixing things. I love working with all power tools. I am an outdoor person. I like baseball.

Things I do not like:

People yelling and fighting. Bullies. Being restricted by lots of rules. Pickles!

Favorite Foods:

Gummi Bears. Pizza. Brussel Sprouts. I actually like most veggies. BBQ Ribs. Pop Tarts.

What I want in a family:

I want someone to treat me nice. I want them to cheer me on in sports. I want to be loved. Help me be a good person.

What I want families to know about me:

I really like working with my hands. I like being outside. I want to learn how to build and fix things. I would love to make my own robot.

What we want families to know about the youth:

He is very smart and energetic. Wants to please people. Wants to learn and needs a loving parent to help teach and guide him. He is close with his siblings and wants to remain close to them. Family will need to have patience. Understand childhood trauma and attachment issues.
