

Gabriel, Age 8

My Favorite Things:

I really like Legos, magnetiles, transformers, and crafts. I like to watch Paw Patrol and Bluey. I like to sing and dance.

Things I do not like:

I don't like people waking me up or rushing me to get up. I don't like it when people are talking about me. I don't like being sent or kept in my room.

Favorite Foods:

I like pizza, meatballs, popsicles, apples, oranges, cheese sticks, frozen yogurt pops, fruit pouches, applesauce, cream cheese and chive crackers, spicy noodles and Sushi!

What I want in a family:

I want to have a mom and a dad. I would like to live in a city. I like being outdoors and active, but I like staying home and playing with my legos too. I want a family that likes to play with me. I want a family that will read to me.

What I want families to know about me:

I like music, singing along, dancing, and playing. I like to build things. I like being read to. When I am rushed or pushed into waking up, I get grumpy. I don't like being sent to my room.

That we want families to know about the youth:

Gabriel is an incredibly sweet and bright little boy. He is funny and loves to show off. He is kind and encouraging to others. Gabriel craves attention and when that need is not met, he may seek it in less constructive ways. He does well with consistency and limits especially when he knows the adult is consistent
