**My Favorite Things:**

Taking Karate lessons, Playing basketball, soccer, riding my bike, playing tag, being active. I have never taken drum lessons, but I have a drumming pad that I like to drum on. I also like to ski. I like to watch Iron Man and The Hulk. I like to listen to Rock and Roll. I like Garth Brooks and Alabama.

**Things I do not like:**

I don't like fish, beans or tomato soup. I also don't like being told no. I don't like it when adults don't understand what I am trying to say

**Favorite Foods:**

Mashed potatoes and gravy and corn on the cob with butter. My favorite ice cream is Ben and Jerry's Phish Food.

**What I want in a family:**

I want a family who is respectful to me, and who is not mean. A family who is kind and snuggly. Interested in me, and able to help me with my ups and downs. I want a mom and dad. I want parents who can help me learn how to control my anger. I want my parents to be non-smokers and preferably non-drinkers.

**What I want families to know about me:**

I am fast, I am learning martial arts. I want to visit the Grand Canyon. I don't like to be ignored. I have a hard time reading body language, and if adults are not clear I may get upset.

**What we want families to know about the youth:**

Harry is engaged, and wants to do well. A family who will engage with Harry in therapy. He needs a family who is willing to help him learn and develop new skills. A family ready to be part of a team and can help advocate for Harry and his needs.

**At this time the team is can only consider Vermont foster care families due to Harry not being legally freed for adoption.**
