

Morgan, age 14

My Favorite Things:

I like football, soccer and basketball. I like art; I like to paint and draw. I like to read and like to read graphic novels. I like all music, but country is my favorite. I love to swim.

Things I do not like:

I don't like mushy foods or super crunchy foods. I don't like soups or stews, zucchini or oatmeal.

Favorite Foods:

My favorite foods are fresh green beans, home made lasagna, Caesar Salad, and cheese cake.

What I want in a family:

I want to be the oldest, but don't want to be around kids under five years old. I do not want to live in Barre, or go to Spaulding High. (I want to be away from my home community and want a fresh start.) I want a family that doesn't yell.

What I want families to know about me

I like big dogs and want to have a big back yard. I want to have two parents, and would like an active couple. I must have my own room and I want to have a phone.

That we want families to know about the youth:

Morgan is smart, insightful and has a big heart. She is open to moving, but wants to be able to keep in touch with her friends.
