

## **Payton, 10**

### **My Favorite Things:**

I like swimming, visiting with my sisters, playing soccer, basketball and volleyball. I love going to the playground. I like to fly kites, go up in hot air balloons and to ride my bike.

### **Things I do not like:**

I don't like being sent to my room or being grounded. I don't like peppers or tomatoes.

### **Favorite Foods:**

I love all types of meats and pasta and I like fruit. My favorite meal is Shepherds pie.

### **What I want in a family:**

I would like a family with a mom and dad and I would like to have a teenage older sister. I like living in a large town/small city but I also like to be out in the country.

### **What I want families to know about me:**

My family is very important to me and I want to stay in touch with them. I can be a picky eater at times. I really like animals, and I want to have two kittens.

### **That we want families to know about the youth:**

A family open to Payton continuing her relationship with birth family. A family who has experience working with a youth who experienced grief and loss. She needs a family that can help her grow while providing safety and stability.
