

Quinn, 9 years old

My favorite things:

I like playing outside, riding bikes, Legos, Pokémon, board games, and I especially like eating!

Things I do not like:

I do not like people yelling or places that are loud. I do not like to be surprised about what I will be doing throughout the day.

Favorite foods:

Pizza and chocolate are my favorites. I also really like lasagna, avocados, pancakes, ice cream, gummy candy, and hot chocolate.

What I want in a family:

I want a family who are caring and who will not give up on me.

What we want families to know about the youth:

Quinn is an energetic and creative child who benefits from strong attachment to adults. He is very bright and does well in school. Quinn is developing his social skills and continues to learn new strategies when interacting with peers. He likes to talk and engage with adults.

What we are looking for in a family:

Quinn needs a family willing and able to advocate for his needs both in the educational and community setting. Quinn would be best suited to live with a family who can provide close supervision. Most of all, Quinn needs a family to commit to him fully and forever, through adoption. A family who are patient, kind, and willing to give Quinn time and opportunities to build trust and secure attachment.

For further information about this child, please contact Macie Klumper at (802) 324-1898 or by email at maciek@lundvt.org
