

**Quinn, 7**

**My Favorite Things:**

I like playing outside. Riding bikes, and playing with other kids. I like playing board games and card games. I really like the McDonalds play place.

**Things I Do Not Like:**

I do not like people yelling, or places that are loud. I do not like not knowing what I am going to be doing.

**Favorite Foods:**

Pizza and chocolate are my favorites. I also really like lasagna, pancakes, ice cream and hot chocolate.

**What I Want in a Family:**

I want a family that is caring and I really want family that will not give up on me. I want pets in the home, and I would like two younger siblings. I want two parents. I really want a family soon.

**What We Want Families to Know About the Youth:**

Quinn has a lot of energy at times. Quinn is very bright and does well in school. He is developing his social skills and continues to learn new strategies when interacting with peers. He likes to talk and engage with adults.

**What we are Looking for in a Family:**

Families willing to be part of a team and able to advocate for needs both in the educational and community setting. Families who will be willing to provide Quinn with opportunities to find all of his potential and encourage him. Quinn would like younger siblings but at this time, a family with no younger siblings would be ideal to allow Quinn time to adjust and develop a relationship with the family.
