

**Richard, Age 13**

**My Favorite Things:**

I like Legos, swimming, listening to music. I like country music but will listen to almost anything. I love to read. I like Harry Potter.

**Things I do not like:**

I do not like people yelling, or loud noises. I am very religious and don't like people taking the Lord's name in vain. I don't like people forcing me to do things.

**Favorite Foods:**

My favorite is a turkey dinner, with all the fixings. I'm not really a picky eater, I will try things at least once.

**What I want in a family:**

I want to be with people who love and support me, and pay attention to me. I want to have a mom and a dad. I want a nice, loving family. I would like a family that is active. I would like to live in a small town or village.

**What I want families to know about me:**

I am a kind kid. I like to cook. I like to talk.

**That we want families to know about the youth:**

Richard would do well in a family that has structure, well balanced, shared parenting. Richard need a family that can provide support, attention, affection and lots of activity. Richard would do best in a family with older teens or with no children his age or younger.
