

Work 4 Kids

*Helping you work so
you can pay child support*

Are you:

- ➔ **Behind, or at risk of falling behind, on your child support payments?**
- ➔ **Unemployed or underemployed (i.e., working less than full time)?**
- ➔ **Facing barriers to employment such as a criminal record?**

If you answered YES to these questions, this program may be able to help!

Work4Kids helps parents to find and keep good paying jobs so they can meet their child support obligations.

A joint project of the Vermont Office of Child Support, VocRehab Vermont, Invest EAP, the Vermont Judiciary and the Vermont Association of Business Industry and Rehabilitation.
