

# Required Forms

---

The following pages include samples of the required forms that must be used by participants of the EFSP. *These forms may not be altered.* Copies of the spreadsheet templates are available under Forms on the EFSP Website. All certification forms will be sent to the required signers as part of the e-signing process. Please direct any questions regarding the forms to the National Board staff.

## Annex 1: Spreadsheets

Spreadsheets are required as part of the documentation requirements to support all expenditures made with EFSP funds. Samples of the required spreadsheets and elements for each category are included in this manual and can be found on the EFSP website under **Forms**. The following is a list of the elements required for the spreadsheets.

### Required Elements with Explanation

1. **Billing Period Covered with Payment:** service period paid for client’s utility bill; if a non-metered utility bill is paid, indicate not applicable (N/A) on the spreadsheet. The required date format is MM/DD/YY-MM/DD/YY. If an LRO pays \$100 or less for a client from a past due balance of disconnect/cutoff/shutoff notice from the utility company, the “billing period covered” information is not required on the spreadsheet. Enter “N/A” in the column labeled “billing period covered”.
2. **Building Code Citation Date:** date the agency (feeding or shelter site) received the citation from the local city/county government indicating required work needed on building where services are provided. The required date format is MM/DD/YY.
3. **Client First Name:** legal name of the individual seeking assistance (this only applies to other shelter, rent/mortgage and utility categories.)
4. **Client Last Name:** legal name of the individual seeking assistance (this only applies to other shelter, rent/mortgage and utility categories.)
5. **Client Street Address:** the physical residence of the individual seeking assistance; the individual must be responsible for the service at the address (this only applies to rent/mortgage and utility categories.) P.O. Boxes are not allowed.
6. **Dates of Stay:** for assistance made in the Other Shelter category, indicate the dates the clients stayed in the motel, hotel, etc. The required date format is MM/DD/YY-MM/DD/YY.
7. **Due Date:** date the client’s rent/mortgage and/or utility bills had to be paid (this only applies to rent/mortgage and utility categories.) For rent please use the due date per the lease, not the due date listed on the eviction notice. The required date format is MM/DD/YY.
8. **Delivery Date:** if a non-metered utility bill (propane, firewood, coal, kerosene) is paid, indicate the date of delivery to the client. The required date format is MM/DD/YY.
9. **EFSP Portion of Invoice Amount:** portion of the purchase paid with EFSP funds; the column must be totaled on each page if multiple pages are required for the category. The total amount must be provided for the category on the last page, if multiple pages are required.
10. **Invoice/Receipt Amount:** total cost of purchase as listed on the invoice or receipt.
11. **Invoice/Receipt Date:** date the vendor prints on the invoice or receipt. The required date format is MM/DD/YY.
12. **Invoice/Receipt Number:** preprinted number on the invoice/receipt from vendors; if there is no invoice number, indicate not applicable (N/A) on the spreadsheet.

13. **Landlord/Mortgage Company Name:** individual or company that a client is required to pay their rent or mortgage payment to each month
14. **Member Agency Name:** food banks must provide the name of the agency(ies) that received food when using a shared maintenance fee.
15. **Month Covered with Payment:** service period paid for client's rent/mortgage or utility (month paid.) The required date format is MM/DD/YY-MM/DD/YY, should indicate the month of coverage provided by the payment.
16. **Monthly Rent/Mortgage:** a client's regular/usual rent or mortgage (principal and interest only) (**no deposits, late fees or other fees**) for one month as listed on the client's lease or mortgage papers.
17. **Page Numbers:** number all pages of the spreadsheets, when multiple pages are required for a category.
18. **Payment/Check Clear Date:** date the payment/check goes through banking system (also known as cancellation date of a check); EFSP generally references the check or the bank statement for this information. If an agency's debit/credit card is used, the date will be the same as the purchase date. The required date format is MM/DD/YY.
19. **Payment/Check Date:** date the payment/check is issued (date printed on the check, money order, etc.) to pay vendors; if an agency's credit/debit card is used, indicate the date of the purchase (**do not include the card number.**) The required date format is MM/DD/YY.
20. **Payment/Check Number:** preprinted number on check, money order, etc. used to pay vendors for service; if an agency's credit/debit card is used, indicate credit card or debit card in the spreadsheet (**do not include the card number.**)
21. **Payroll Registers:** payroll registers from the LRO's system for all employees who worked on the EFSP and the percentage of time charged to EFSP.

26. **Vendor Name:** company or individual that provided services for agency or clients.
