Financial Assistance from your Community

- What is it?
 - Financial assistance to get you exit to safe housing
 - Funds are administered by a local organization in every community
 - Funds can be used to help with a security deposit, utilities, rent (including room rent), moving costs, fees, transportation, debt and other costs related to your housing plan
 - Your housing plan can include a variety of safe options including staying with family or friends, renting, moving or buying
- What are the requirements? How do I apply? Is there a deadline?
 - You must have a housing plan with identified goals.
 - Talk to your case manager to learn more about how these funds are administered in your community.

BUT WHERE WILL I FIND AN APARTMENT?

- Subsidized housing properties with vacancies are listed here: <https://www.housingdata.org/find-rental-housing/vacancies>.
- Check craigslist often! Listings go quickly.
